The proposal was sanctioned in less than one month from the day of application to the state government by BJP MLA from Sion-Koliwada, Captain Tamil Selvan. As requested by him, the government sanctioned the change in use of land from residential to educational

"I am not an office-bearer of this trust. I corresponded with the state government because the trust is from my area and I wanted that poor kids from my constituency get good education. This land will not be given for free and will not be used for commercial purposes. I thank the government for giving the land to the trust," Selvan told The Indian Express. As per the government resolution dated July 31, 2023, the trust will be paying around Rs 14 crore to the government.

On September 9, 2024 Selvan had raised the demand seeking the land to be given to the said trust as 'special case' for the primary and secondary school meant for EWS and weaker sections. Based on this. Mumbai (City) collector submitted a report on September 11

The producers said that, as per the arrangement made between the parties to the case, they will submit the revised master copy of the film within 30 days once such changes are made and the CBFC will verify the same and issue a certificate within 14 days (two weeks) thereafter.

Ranaut plays the role of Indira Gandhi in the film.
